# DAY OF SERVICE

Cairo Rotarians came out to the town park to re-paint the park fence and benches for all to enjoy this summer. This park is so beautiful and we are so excited to see what the new additions will bring. Thank you Chris for putting this together and all the support from the local Cairo town park. We cannot wait to continue this partnership for years to come. And final shout out to all the students who helped paint (see above) and picked up trash throughout the park (see below); you are rock stars!
